AVA's Recommendation:

Based on your criteria for a 20-meter motor yacht with one cabin and a day head toilet within a €500,000 budget, I don't have exact matches in the search results that meet all your specific requirements. The available yacht information includes: - 20-30m luxury yachts typically offer multiple cabins with lower running costs compared to larger vessels - MARTINIKI II, a Princess 20m yacht with 3 cabins (not 1 as requested) - Ananas, a 21.20m Greek motor yacht built by Ferretti with 4 cabins (more than requested) For a more accurate match to your specific requirements (20m, single cabin, day head, €500,000 budget), I would recommend contacting yacht brokers like IYC, CharterWorld, or 212 Yachts who can provide options tailored to your exact needs.
